

When the Snow Falls Down

C F
When the snow falls down
G C
And lays a blanket on the ground
C F
Will you find what you need?
G
Will you stay and play with me,
C
or will you leave?

C
Can you find somewhere warm
F
To shelter from storms
C G
And rest your sweet little head?
C
So we can play through the day
F
And when you're cold and need a break
C G C
You'll have a place to stay

C F
When the snow falls down
G C
And lays a blanket on the ground
C F
Will you find what you need?
G
Will you stay and play with me,
C
or will you leave?

C
Can you find something sweet
F
And tasty to eat
C G
And fill your little belly?
C
So we can play through the day
F
There's so much that we can make
C G C
Snow forts, snowmen and snow cakes!

C F
When the snow falls down
G C
And lays a blanket on the ground
C F
Will you find what you need?
G
Will you stay and play with me
C
or will you leave?

F C
I'll wait, I'll wait, go see
G
Go ask your family
F C
I'll wait, I'll wait, go see
G
Find out if you can stay and play

C F
When the snow falls down
G C
And lays a blanket on the ground
C F
Will you find what you need?
G
Will you stay and play with me
C
or will you leave?
