

# Friends are Coming Back

VERSE:

C  
Spring is in the air  
G C  
Sounds so sweet  
C  
Friends are coming back  
G C  
To you and me  
C  
Lend a little ear...  
G C  
What do you hear?

C  
*Call and response sounds that you hear in the land*

CHORUS:

F  
So many friends,  
C  
Listen to the calls  
G C  
Let's see if we can hear them all
