

The Robin Song

CHORUS

Cheer-up, cheer-up, cheerily
Cheer-up, cheer-up, cheerily
A momma bird said to me
Cheer-up, cheer-up, cheerily
Cheer-up, cheer-up, cheerily
A robin red-breast
Led me to her nest
What do you think I did see?

VERSE

There was one nest
Delicate and brown
In a cozy little place
With nobody else around
Momma said to me,
"Come back in one week,
I promise there will be more to see."
